# THE ART OF PRESENTATION

You're not just setting a table. You're creating an experience, telling a story, sharing a culture – and food is at the heart of it. Food brings people together and connects them to tradition and inspiration.

At Steelite, we believe that tableware should do more than serve your food – it should serve your vision. We design, craft and curate the very best in tableware for chefs and concepts across the globe.

Partnering to create an unmatched range of inspired tabletop experiences where shape, color, texture, light and weight combine to feed the senses. Helping our customers set the stage for their menus and their brands. Elevating presentation to an art.

Steelite. The Art of Presentation.

Steelite International is the leading designer, marketer, manufacturer, and supplier of award-winning tabletop and buffet products for the global hospitality industry. Dual headquarters, located in New Castle, PA, and Stoke-On-Trent, UK, along with a 500,000 square foot manufacturing facility and twelve showrooms worldwide, enables us to service over 140 countries for more than 50 years. We are committed to providing the best in functionality and design while minimizing the effect on our environment. For more information, please visit [www.steelite.com](http://www.steelite.com).

**MATT KING** CHIEF CULINARY OFFICER • *Smith & Wollensky, Strega Italiano and Legal Seafood Boston, MA*

I am proud to partner with Steelite. We started using custom made Steelite china in Smith & Wollensky a few years back and could not be happier with the quality and durability. The diversity of styles that are available and designed to complement our food has allowed us to expand into our other restaurants covering all of our tabletop needs. Running very busy restaurants and serving 20,000 meals a day across them all, you can be assured that Steelite products stand the test of time.

### *amplify food presentations*

Hone the art of presentation with the beautiful black canvas of Nyx from Steelite International. Its dark backdrop will engage the eye of the diner and amplify the colors of any chefs' creation, while a rimless profile offers the chef the ultimate plating area, providing an opportunity to showcase their skills and creativity in the best possible way. Nyx combines drama & sophistication with strength & durability to make an ideal vessel for foodservice.

*minimalist design, intriguing opportunity*

Asteria's pristine white surface allows a chef's creativity to shine unimpeded while the deep black band frames the presentation and draws attention to the central focus, the food. Its rimless profile offers intrigue and maximizes the plating area, allowing the elements of each dish to breathe. Designed & created on the robust Steelite alumina-vitrified body, Asteria is sure to withstand the rigors of foodservice.

*manufactured in Portugal, known for beautifully glazed stoneware*

Reminiscent of the dramatic landscapes and natural beauty of the Azores Islands of Portugal, the Folio Azores collection is comprised of tastefully organic stoneware. With graceful yet irregular shaped edges, Azores emulates the look of authentic, hand-thrown stoneware, designed specifically for casual dining and small bites. The reactive hand-applied glaze colors, are aptly named and inspired by the harmonious scenery of their namesake islands: Costa (white coast), Mar (blue sea), Ocaso (pink sunset) and Caldeira (black volcano).

### *handmade & organic appeal*

Forager by Robert Gordon is designed with a carefully applied reactive glaze that free-flows over each shape to create a unique finish that is different on every piece. Featuring an unglazed bottom, this collection highlights the richness of raw materials through exposed stoneware and offers a handmade & organic appeal. From the creator himself, Robert “Andy” Gordon, he compares the signature tray design to “tree bark once used to gather things such as forage seeds, berries, and roots for the forest”, hence its namesake, Forager. Unlike any other, these enduring & functional shapes are finished with a stamp of Andy’s handwritten signature and will enhance any foodservice presentation.

*distinct reactive glaze*

Introducing Indigo to the Homer Laughlin China collection. With a distinctive indigo color that is highlighted by a beautifully brown rolled edge, this collection is comprised of both embossed and unembossed shapes. Great as a standalone or mix & match with existing Steelite products, Indigo's reactive glaze gives each item a modern & sleek finish.

*dark canvas, bold presentation*

With a look and feel of cast iron, the introduction of Foundry continues to diversify Fiesta Dinnerware's vibrant and bold color range. The Art Deco inspired pieces are composed of dark-colored porcelain making Foundry, like other Fiesta products, easy to care for and essential in creating a retro American style in a variety of dining atmospheres.

## FIESTA DINNERWARE

### *an american icon™*

One of the most collected dinnerware products in the world, the Fiesta® line was designed by Frederick Hurten Rhead and introduced to the American public by The Homer Laughlin China Company® in 1936. A.V. Bleining brought the bright hues to the forefront, further popularizing the line. Introduced initially in just five colors, Fiesta was an unprecedented sensation. Today, Fiesta continues to add unparalleled character and vibrance to every table. Fourteen bold colors complement each other beautifully and can be mixed and matched with different shapes to ramp up or dial down the color range to suit your unique presentation or culinary whims. Fiesta's classic—and now famous—Art Deco design, with its concentric rings and stunning colors, making it the quintessential statement of retro American style.

*visual quality with maximum durability*

Inspired by the calming landscapes of the desert, Baja by Creations is a durable melamine collection comprised of a natural color palette. Like wind dancing across the sand, the brush strokes on each piece are unpredictable, providing a unique and exceptional presentation. Sandstone, Cactus, and Lagoon insides are accented by a brushed black outside to create a high quality look that's versatile among foodservice occasions.

### ***opal glass dinnerware that's reliable & hygienic***

With Careware by Bormioli Rocco, versatility and compatibility come together with reliability and extraordinary resistance offered by opal glass. The fully tempered, milky white opal glass is resistant to breakage and thermal shock, reducing the need for replacement, while its non-porous body provides a hygienic surface for food. The very nature of the material means that these characteristics are preserved over time, remaining unchanged even with intensive use and prolonging the life of the product.

#### **Passive System** Careware products suitable for *Cook-Serve* Systems:

- Added thicknesses to ensure the maintenance of food service temperature
- Compatible with the main supports, lids and domes
- Designed to be used in the main thermal trays

#### **Active System** Careware products, adapt perfectly to *Cook-Chill* Systems:

- Flat base, a requirement for efficient and even heat transfer and heat maintenance
- Excellent thermal heat stability to guarantee optimal food temperature maintenance (hot and cold) in the *Forced Air Circulation* systems
- Compatible with the main supports, lids and domes
