FIRST. FINEST. FAVORITE.

Since 1925, Le Creuset has inspired people everywhere to create joy in the kitchen and around the table. Beloved by home cooks and master chefs alike, every culinary tool worthy of the Le Creuset name reflects three essential truths. These truths, Les Trois Vérités, celebrate our proud heritage as the first in colorful cookware, the finest in quality and design and the favorite for generations.

COLORFUL COOKWARE

CRAFTED TO LAST.

Whether it's hand-harvested produce or artisan-made cookware, the finest ingredients yield the best results. Since 1925, Le Creuset has been using only premium materials to create colorful, reliable pieces that last.

Nearly a century after we pioneered the first enameled cast iron Dutch oven, we've expanded our selection into a diverse collection of best-in-class cooking and serving vessels. Tried and true, our products are held to the highest standards of quality and trusted by renowned chefs around the world.

From durable back-of-house kitchen essentials and hardworking catering pieces, to elegant bedside decor and stunning tableware with exceptional presentation, our vivid spectrum of celebrated cookware elevates every dining experience—meal after meal, year after year.

ENAMELED CAST IRON

As the world's first colorful cookware, Le Creuset enameled cast iron has been the visionary color and quality benchmark for almost a century—an essential tool for master chefs and home cooks alike. Individually crafted by French artisans from the finest quality materials since 1925, the iconic cookware is beloved for its perfected design and exceptional heat retention that produces superior results from stove to oven to table.

SALT & PEPPER

Add a touch of seasoning along with color to your tabletop with a wide variety of mills and shakers. Combining classic form and modern technology with our iconic colors, the ceramic grinder is strong enough to crack peppercorns and corrosion-resistant for grinding salt. The acrylic ABS-finished mills do not absorb odors or moisture and easily wipe clean.

KETTLES

Le Creuset Enamel on Steel Kettles are crafted from fast-heating premium carbon steel glazed in our stylish palette of colors and designs to complement any kitchen. Lightweight and durable carbon steel heats water rapidly, and a fixed single-tone whistle alerts when the water has reached a rolling boil. Non-reactive, resistant to stains, and easy to clean, the colorful porcelain enamel coating ensures that every cup tastes perfect.

STOCKPOTS

Le Creuset Enamel on Steel Stockpots deliver our fastest heating performance of premium carbon steel glazed in our beautiful palette of colors. Lightweight and durable, carbon steel rapidly brings water to a boil to speed up prep and cooking and retains heat to keep food and liquids warm. The easy to clean colorful porcelain enamel coating is non-reactive and resistant to stains and flavors, making enamel on steel stockpots ideal for everyday use.

STAINLESS STEEL

Le Creuset Signature Stainless Steel is crafted by European artisans with a refined performance-driven design to master any culinary challenge. Radiant and durable, the triple layer construction features a full base-to-rim aluminum core for superior heat distribution, while the lightweight titanium-infused stainless steel exterior resists scorching and corrosion. Innovative details such as interior capacity markings, iconic three-ring lid with built-in steam vents, and a dripless pouring rim save valuable prep time and make cleanup a breeze.

ESSENTIAL NONSTICK CERAMIC

Le Creuset's Essential Nonstick Ceramic is a trusted cooking companion in the kitchen. A heavy-gauge aluminum core produces excellent heat distribution and retention without hot spots, while the advanced ceramic coating easily releases food and quickly wipes clean. Safe for dishwasher, metal utensils and resistant to scratching, Le Creuset's nonstick ceramic is the choice for superior performance and effortless cooking.

SUPERIOR NON-STICK PERFORMANCE

Easy food release and cleaning

EXCELLENT SEARING & BROWNING

With or without the use of oil or butter

EXCEPTIONAL HEAT DISTRIBUTION

Forged, heavy-gauge aluminum core

RESISTS SCRATCHING & STAINING

Safe for metal utensils

HIGH HEAT RESISTANCE

Compatible with all cooktops and oven-safe to 550°F (425°F with glass lid)

GREAT FOR

Searing fish, baking eggs, steaming vegetables, braising beans & more
