Timeless & Unrivaled Design

Designed by high quality European Design Team, Queensberry Hunt, Belisa incorporates a timeless and irregular concentric embossment on the surface of each piece. Additionally, Belisa was the first pattern in the market to feature an ergonomic set of ridges on the underside to facilitate easy handling, making its design unrivaled in the hospitality industry.

Bormioli Rocco

Glassware ☆☆☆☆

Cortina

Leading the Way with State-of-the-Art Glassware

Bormioli Rocco's first glassware factory dates back to 1825, but historians say the origins of Bormioli Rocco glass can be traced to the Middle Ages. With stemware, tumblers, beer glasses and iconic food storage jars gracing tables around the world, quality is the cornerstone of the foundation supporting the Bormioli Rocco brand. The manufacturing facilities utilize state of the art technology and economically source only the best raw materials. From the finest sand imported from Germany to organic glazes used to color glass, all are brought together in products influenced by exhaustive design research. Thanks to continuing investment in technology, research and design, Bormioli Rocco has become one of the leading glass manufacturers in the world.

Eliminate Spills & Splashes

Make a statement with your beverage service with Royce stainless steel hollowware from Creations. The easy to hold, slanted ergonomic handle allows servers to balance and pour beverages with perfection, while the brushed finish provides a sleek look and reduces the appearance of fingerprints. Royce's tall & slender body will reduce the footprint on the table or buffet, and clever features like longer spouts and ice guards will help eliminate a majority of spills & splashes.

Mid-Century, Modern Design

Introducing the Steelite Distinction Morella tableware collection, a refined fusion of historical inspiration and modern design, evoking the essence of the medieval town of Morella in Valencia. This luxurious range showcases intricate embossments, reminiscent of natural textures. The mid-rim style plates feature an engineered spiral effect, adding depth and elegance to each piece. Designed for fine dining settings, the collection includes signature banqueting pieces and a dramatic teapot with a unique mid-century aesthetic, boasting impressive height. Each piece combines timeless beauty with modern sophistication, making the Morella collection perfect for elevating any dining experience.

Thoughtfully Composed, Creatively Ozorio

Classic, yet contemporary porcelain, the Sonata collection's embossment is a delicate note which complements the strong direction of the shapes. A welcome departure from the formal "nouvelle" and "fusion" cuisine of the past, Sonata's sophisticated embossment of radiant lines centers the visual focus on the well of each plate and bowl, placing emphasis on the cuisine being served.

A Nod To Mid-Century Modern Design

Rona's Mode Collection is as captivating to the eyes as a unique wine is alluring to the palate. Wine glasses with square tapered bowls accentuate long, slender pulled stems creating a sophisticated contemporary look. Likewise, the simple, yet relevant barware trio boasts of modern design and intrigue.

Embossed Texture

The Spiro range features clean, geometric linework, which is tapered to draw your guests' gaze naturally toward the center of their plates. A subtle raised texture adds an extra element of understated elegance. The William Edwards range of Bone China is produced to the highest standards, with a bone ash content of 47%, making it extremely durable and giving each piece a bright and luxurious color.

Dash Bottles

Barware Essentials

Small in stature but with a big presence, Utopia's bottles & pourers are versatile vessels that can be used for spirits and bitters behind the bar, or on the table with oil & dressing. Complete with a convenient pour spout, each glass vessel is machine-made and adds a unique touch to food & beverage service.

Trendy Serving Option

Introducing the highly innovative wood serving pieces, now offered in an even larger array of styles. Prepared from either acacia wood or olive wood, these pieces are designed to resist the penetration of liquids, stains and odors. Adopt the unique serving boards and underliners as an alternative to traditional plating and add drastic dimensions to the total presentation.
