ABOUT THE CANVAS COLLECTION

The Canvas Collection is an innovative shelving system for the hospitality sector, acting as a blank page allowing professionals to accomplish their creative vision. The collection is Ideal as a back bar or for showcasing food and beverages and related products. It combines function with uncluttered aesthetics to create this versatile range of shelving, taking into consideration the unique and challenging requirements of foodservice.

MATERIALS

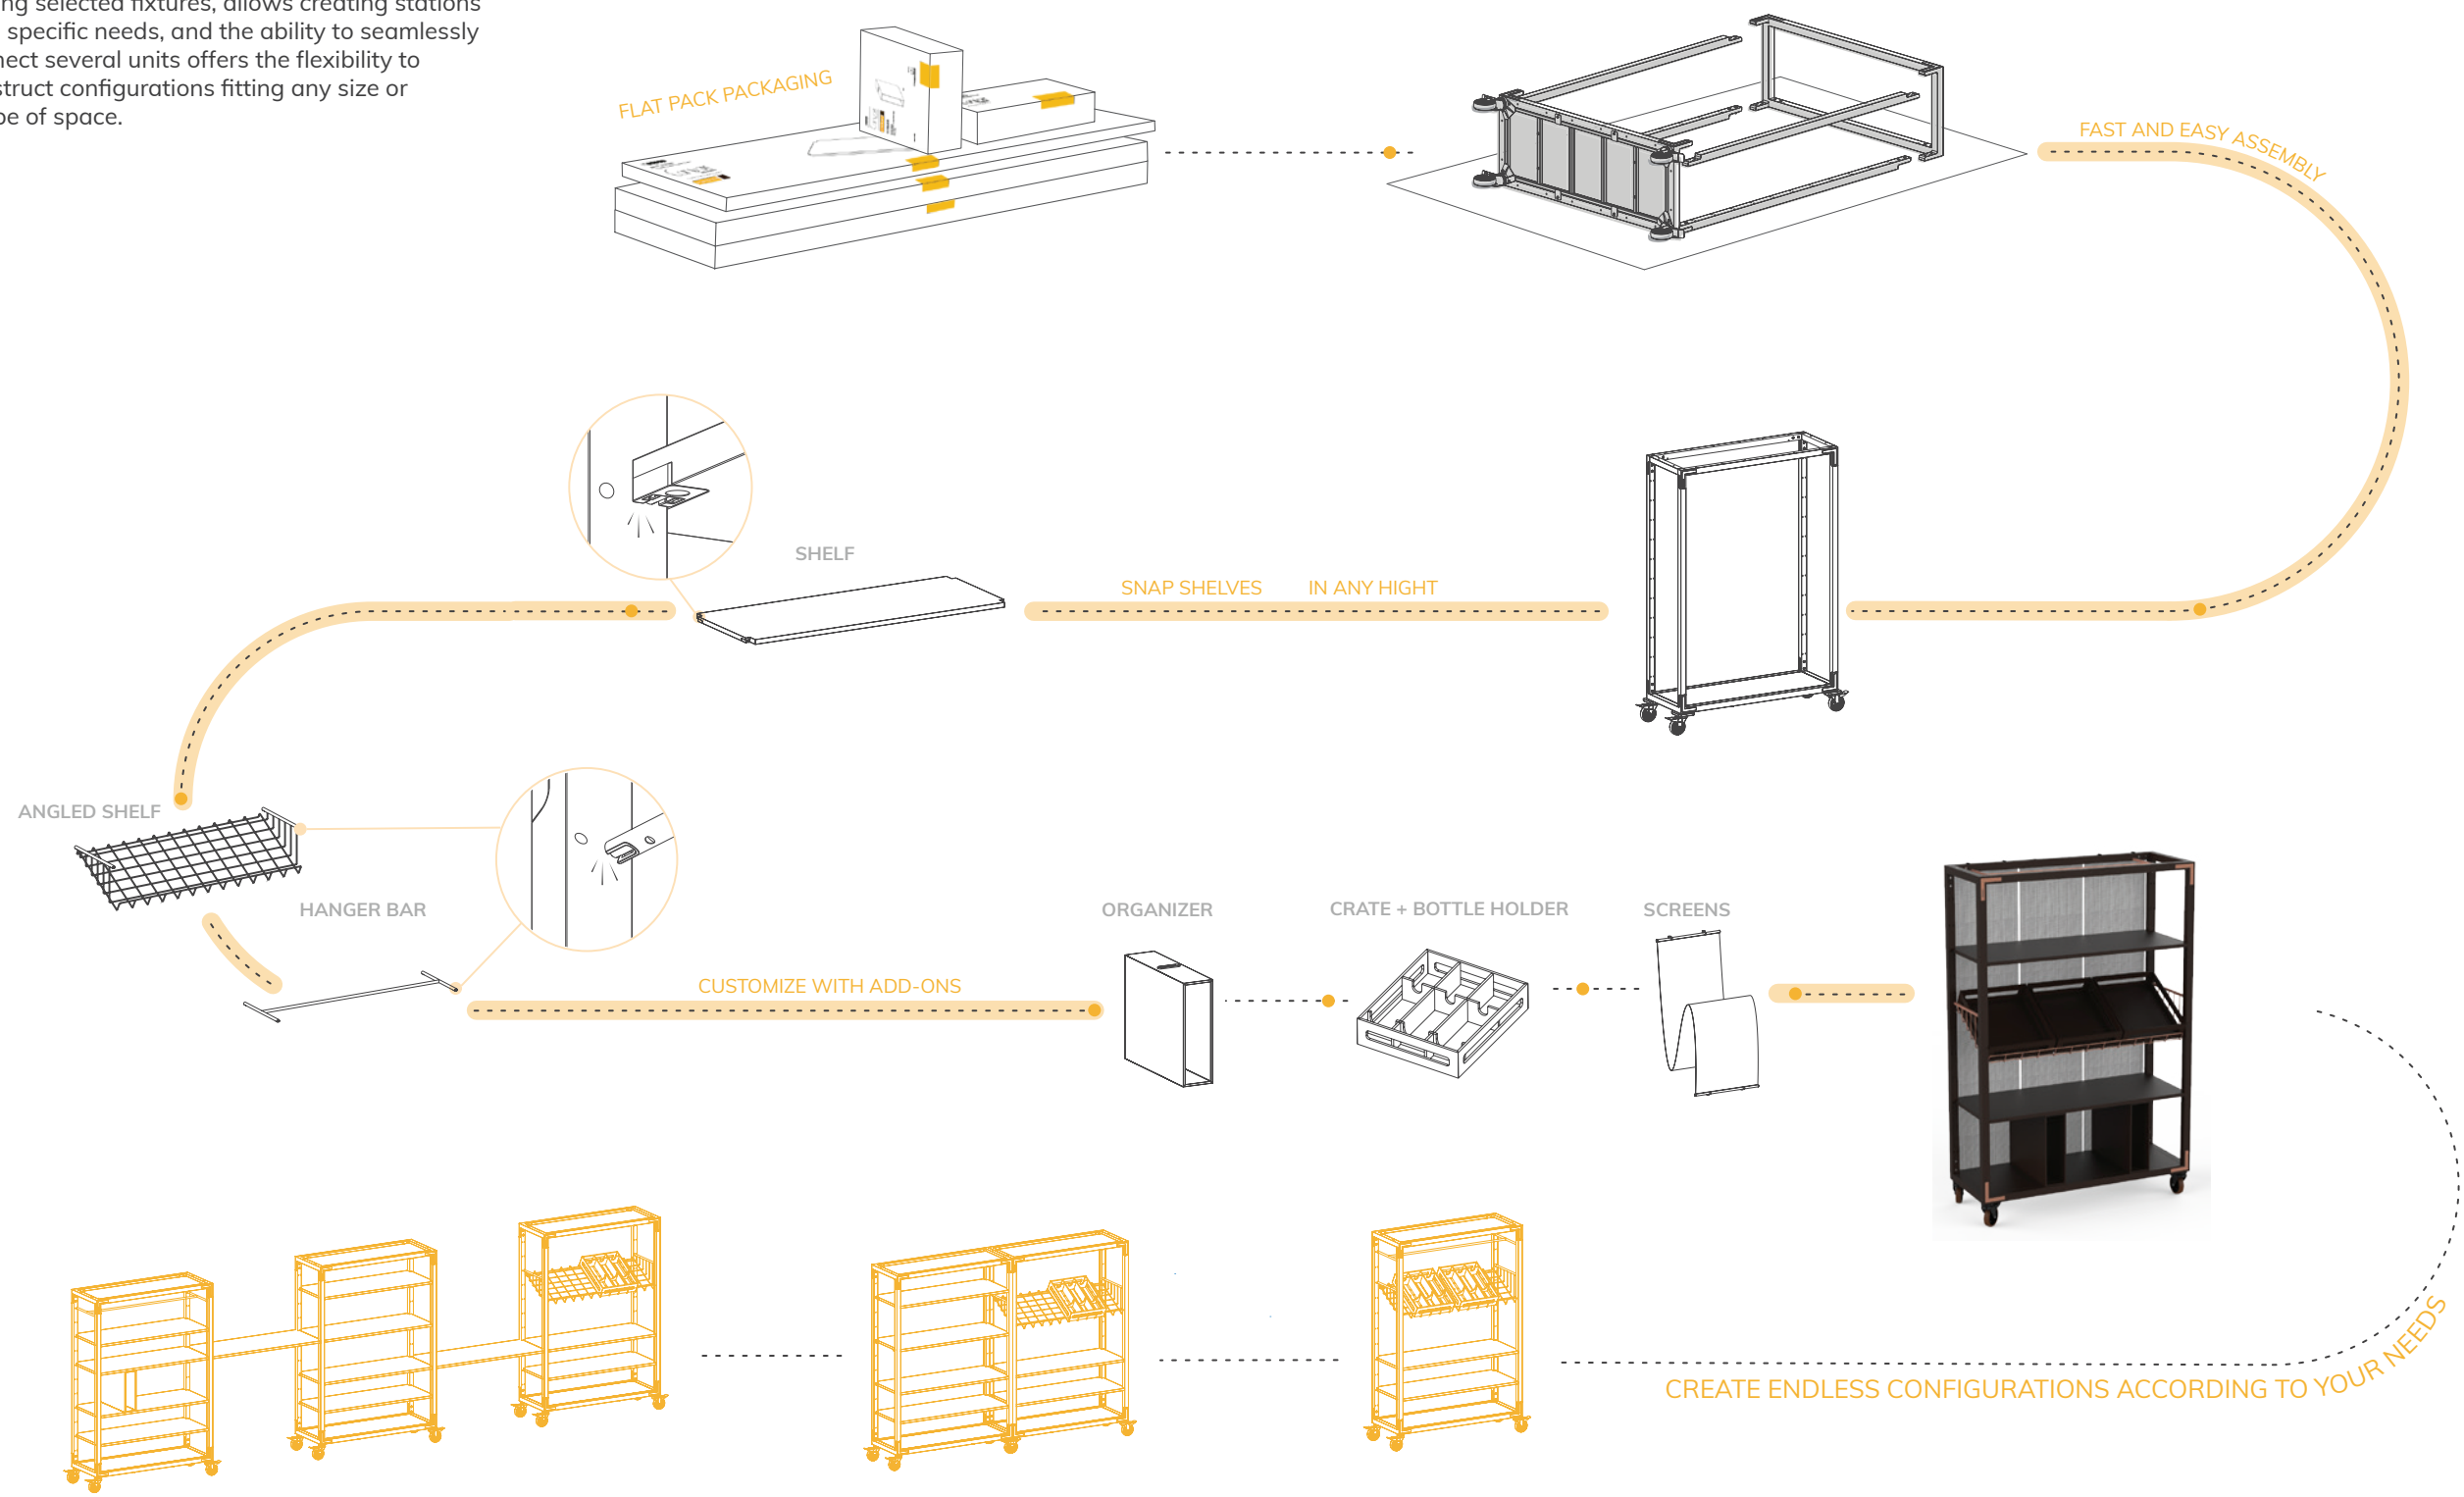

The usage of ecological materials is part of a global movement that aims to convey the message that luxury and sustainability go together. The bamboo frame is lightweight and highly structural, joined by decorative metal features to create a fine balance between traditional woodcraft and modern design.

HOW IT WORKS

Starting with an unfilled Canvas structure then adding selected fixtures, allows creating stations with specific needs, and the ability to seamlessly connect several units offers the flexibility to construct configurations fitting any size or shape of space.

DETAILS

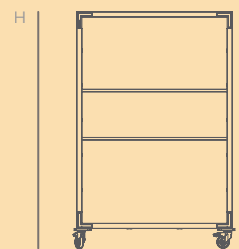

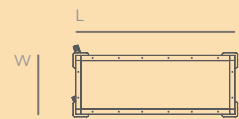

BUSSING STATION MGCCAN14NSXW

SINGLE UNIT - BASIC SHELVES

Organization and accessibility are foundation stones for a functional station. Whether it is used front of house or behind the scenes, several shelves can be set at different heights in a matter of seconds creating a practical and stylish tool. The unit can be covered partially or completely with the use of easy to install screens.

MULTI UNIT CONFIGURATIONS

If your space allows the use of several units, the addition of the unit connectors, straight shelves and corner shelves, is a cost effective way to add additional display space. In addition, it creates straight or angled structures that act as living walls, allowing you to express your artistic talents.

CENTER STAGE DISPLAY

Whether you're trying to make a statement in the middle of your room or wanting to utilize the space around that awkward pillar, this station will do both. The ability to connect the Canvas shelving units with the corner shelf connectors adds a dimension the traditional buffet furniture lacks and the results can be functional and stunning.
